

SPOTEX

POWERFUL CARPET STAIN REMOVER

PROPERTIES

Fast-acting, powerful carpet stain remover for removing water- and solvent-soluble stains from carpets, upholstery and other textile surfaces. Gently removes stains such as coffee stains, cola, fruit juices, shoe polish, etc. deep into the fibers.

With practical spray head for spot cleaning.

APPLICATION AREAS

For all color- and water-resistant textile surfaces. Check material compatibility in advance. We accept no liability for damage caused by improper use.

APPLICATION

First remove coarse dirt and liquid. Check the color fastness of the textile surface before application. Spray SPOTEX onto the surface to be treated and allow to act for a short time. Work from the outside to the inside with a clean microfiber cloth. (Do not rub!) In combination with the TENAS hand brush, optimum stain removal is achieved. Then treat with a damp microfiber cloth and pick up or vacuum off dirt. Repeat the process for stubborn stains. After stain treatment, straighten the still damp pile by brushing.

READY-TO-USE

pH-value (at 20°C)
