

## TIGER

### HIGH-PERFORMANCE UNIVERSAL DEEP CLEANER

#### PROPERTIES

High-performance deep cleaner that quickly and effectively dissolves and removes water-soluble coatings, encrustations, care product residue, and dirt. Even old care product films that have been compacted with high-speed machines are easily removed.

- Removes all water-soluble metal crosslinked and metal salt free coatings and care product films.
- Works quickly and removes water-soluble coatings without leaving any residue.
- Time-saving and powerful thanks to special solubility promoters.

#### APPLICATION AREAS

Suitable for deep cleaning almost all water-based and alkaline-sensitive floor coverings including linoleum, rubber, PVC, ceramic, artificial stone, and natural stone. Not suitable for asphalt or bitumen floor coverings.

#### APPLICATION

Deep cleaning: Dilute 1000–3000 ml to 10 liters of water. Spread the cleaning solution on the floor. Allow to stand briefly. Deep clean the floor with a single disc machine or scrubbing machine and appropriate pad or brush. Vacuum away the dirty water. Rinse the floor with clean water. Vacuum away the rinse water.

#### INGREDIENTS

<5% nonionic surfactants, <5% anionic surfactants, contains fragrances (benzyl alcohol, hexyl cinnamal).
